

# Digital Photography Workshop

[www.altonconsultants.co.uk](http://www.altonconsultants.co.uk)

*Enjoy our relaxed workshop on digital photography for the DSLR user.*

*Enjoy the fantastic setting at Flatford Mill whilst we discuss and demonstrate the various topics of digital photography.*

*We will assess your current knowledge, and then help you to expand your hobby making it even more enjoyable.*

*You will learn new techniques, including how to use the various settings on your camera, and how to 'see' a better picture.*

*We will then go out with you and take some photographs using your new skills.*
